Dear Parent/Carer

Re: Year 7 Targets, Assessment and Tracking – The New 'Flightpath' Model

Following the removal of National Curriculum Levels and the phased replacement of the old A*-G grading system with new 9-1 grades at GCSE, the progress of our Year 7 students is now measured using our new 'Flightpath' model. This also incorporates an entirely new school reporting system.

With such extensive change, we feel an opportunity to explain the new 'Flightpath' model to Year 7 parents is vitally important. Consequently there will be a **Year 7 'Flightpath' Evening on Thursday 7th December from 5.30pm – 6.15pm**. Your time and support in attending this event would be greatly appreciated, as we feel it will significantly assist you in understanding your child's progress towards their GCSE qualifications.

Yours faithfully

A Pollard
Headteacher
