Dear Parent/Carer

Unfortunately over recent weeks we have had a significant number of students arriving at maths lessons without a calculator.

As we are unable to provide one for every student in school, and as it is such an integral learning tool, it is expected that each child brings their own. Your child's progress in maths is clearly of the upmost importance to us, and therefore we would greatly appreciate your support in ensuring your son/daughter has this vital piece of equipment with them on a daily basis.

In school we use the **Casio fx-83GT plus**. This calculator can be purchased from most outlets but is also available from our LRC at a cost of £6.60.

Yours faithfully

A Pollard
Headteacher
