	Afternoon	Media Studies
Thursday 21 st June	Morning	French and Spanish Listening French and Spanish Reading
	Afternoon	Food Preparation and Nutrition
Friday 22 nd June	Morning	French Writing Spanish Writing
	Afternoon	Music

We have introduced these mock examinations as an opportunity for students to experience the preparation and organisation that will be required for the summer 2019 GCSE examination process and gain insight into the requirements and expectations of students in a supportive way.

Additionally, the results of these examinations will allow teachers to gain a real understanding of where students are currently performing, in relation to their "Outstanding Progress Target" (OPT). We really appreciate you working with us, in ensuring your son or daughter understands the importance of these examinations and the high level of commitment required throughout this process.

Following the mock examinations, subject teachers will use this information to decide which tier of entry is most appropriate for your son/daughter in addition to reviewing setting arrangements in preparation for Year 11. Consequently, the need for thorough revision and preparation is essential for your son/daughter to perform to their full potential.

Heads of Department have prepared resources for revision and your son/daughter can access these through the school website. We would appreciate your support in encouraging them to utilise the materials and commence their preparation for the mock examinations imminently.
