Dear Parent / Carer

The Eduqas English Literature GCSE course requires your child to study 'A Christmas Carol' for their examination. It is advisable for all students to have their own copy of this book so that they can annotate the text thoroughly.

We will commence the study of this immediately and we would appreciate it if you could obtain a copy of the text as soon as possible.

These books are immediately available from the school Library Resource Centre. Copies are also available from Amazon and Waterstones but we strongly advise you purchase them from the LRC to ensure your child gets the correct edition which is as follows:

Christmas Carol (ISBN 978-185-326-1213) - £1.50.

Thank you for your cooperation in this matter.

Yours sincerely

Mrs L Barker
Head of School
